Gift Aid

To qualify for Gift Aid, you must be a UK taxpayer and pay more Income Tax and/or Capital Gains Tax for the tax year in which Gift Aid donations are made. If you have not been charged sufficient tax to cover to the Income Tax deducted from your Gift Aid donations, then you are responsible to pay any difference.

Please note:

- Donations towards the living expenses of NTM missionaries who are close relatives are not eligible for Gift Aid. Therefore Gift Aided donations to close relatives must be designated for ministry expenses. Close relatives include the following family and their spouses/civil partners: grandparents, parents, children, siblings, and grandchildren.
- NTM cannot make a claim on a gift where the tax has already been claimed by another charity (eg. CAF or Stewardship).
- For donations from couples, it is most practical for our processes if only one person who pays tax completes the form; gifts from that individual will then be treated as Gift Aided.
- It is the donor's responsibility to advise NTM if they no longer qualify for Gift Aid.

Please do not hesitate to contact our office if you have questions.

If you want New Tribes Mission to claim Gift Aid on your donation(s), please complete the form below.
